NUMBER YOUR DAYS

Psalm 90; Exodus 3:13–14

ICE BREAKER

What is something unexpected that has changed about you in the last few years?

GOING DEEPER

- 1) Read Psalm 90:12. Why is it important for us to realize that our life is short when compared to eternity?
- 2) Pastor Dave said, “We all go through life counting things that we think will make us happy or significant; wise people count the things that really matter.” What are the things in life that really matter to you?
- 3) What are some ways that time is like money? If we understand that it’s important to budget our money, how should we apply that knowledge to our time?
- 4) What are some things that you’d like to do that might have an eternal impact?

GOD'S TRUTH TO REMEMBER

Psalm 90:12 (NLT) - Teach us to realize the brevity of life, so that we may grow in wisdom.
