ONE MORE NIGHT WITH THE FROGS

Exodus 8:1–10; Psalm 19:12-13

ICE BREAKER

What is one thing that you're afraid of that not everyone else would know about?

GOING DEEPER

- 1) Why is it important to remember that just because you've been saved, it doesn't mean that you'll never struggle with sin again?

- 2) Read Psalm 19:12-13. What do you remember about the progression of sin that Pastor Dave talked about?

- 3) Why do you think it's important to deal with the progression of sin in the earliest stage possible?

- 4) Read Exodus 8:8-10. Pharaoh put off freedom from the plague of frogs until the next day instead of dealing with it immediately. How is that similar to the way we sometimes deal with our sins?

- 5) Examine your heart to see if there are any lingering sins that you have allowed to grow roots in your life and make yourself available to those around you who may need help dealing with their sins.

GOD'S TRUTH TO REMEMBER

Psalm 19:12–13 (NKJV) - Who can understand his errors? Cleanse me from secret faults. Keep back Your servant also from presumptuous sins; Let them not have dominion over me. Then I shall be blameless, And I shall be innocent of great transgression.
