GOING DEEPER

- 1) What are the differences between how the world sees power and the way power is viewed in the Kingdom of God?
- 2) Pastor Dave said, "When we do what we know, we'll know what to do." How does that statement relate to Acts 3:1? What are the implications for our lives today?
- 3) Peter and John had undoubtedly seen this crippled man many times before while entering the temple. Why do you think their reaction to him was different on this particular day? What are the implications for us today?
- 4) Several gifts of the Spirit were in operation at the healing of the crippled man (discernment, faith, healing, and miracles). Why is it so vital that we remember that the gifts of the Spirit are tools for touching and transforming people by the power of Jesus Christ?
- 5) Read Acts 8:6. What does this verse reveal to us about the relationship between the miraculous power of God and the proclamation of God's word?

GOD'S TRUTH TO REMEMBER

Acts 3:9–10 (NIV) - When all the people saw him walking and praising God, they recognized him as the same man who used to sit begging at the temple gate called Beautiful, and they were filled with wonder and amazement at what had happened to him.
