GOING DEEPER

- 1) Human memory can be a friend or an enemy. What are some ways that memories can serve as a friend for a follow of Jesus? How can memories be an enemy for us?

- 2) Read Philippians 3:12-14. What does Paul mean when he says that he is forgetting the past?

- 3) How can a person become paralyzed by past failures? Can that happen to a church?

- 4) Pastor Dave talked about seizing the opportunities of today. What are some opportunities that God has given you to further the cause of Christ? What are some opportunities that you believe are available for our church?

- 5) How can a person face the future God has planned for them with confidence? From where can a person find that confidence?

GOD'S TRUTH TO REMEMBER

Philippians 3:13-14 (NLT) - Forgetting the past and looking forward to what lies ahead, I press on to reach the end of the race and receive the heavenly prize for which God, through Christ Jesus, is calling us.
