GOING DEEPER

- 1) Read Joshua 4:1-7. Why was it important for the Israelites to create memorials to help them remember what God had done for them in the past? What lesson can we learn from this?
- 2) Some people remember only that bad things that have happened to them instead of intentionally remembering God’s goodness. Why is that so dangerous for us?
- 3) We tend to forget what we should remember and remember what we should forget. What are some things you should remember? What are some things you should forget?
- 4) Read Joshua 5:2-5. In this passage, God told Joshua to go back to the basics of their faith by circumcising those who had been born in the desert. What would it mean for you to go back to the basics of your faith?
- 5) If your best days with Christ were in the past, what were you doing in the past that you’re not doing now? Are you willing to go back to the basics and do those things again?
- 6) Read Joshua 5:13-15. The Angel of the Lord told Joshua that he was standing on holy ground even though he wasn’t in the promised land yet. What made that ground holy? What does that teach us?

GOD'S TRUTH TO REMEMBER

Revelation 2:4-5 (NIV) - You have forsaken your first love. Remember the height from which you have fallen! Repent and do the things you did at first.
